15:30 – 15:35      Welcome

15:35 – 15:40      Global UK

15:40 – 16:15      Discussion

- UK International Stability and Security
- Prioritising Defence and Security Threats
- Strengthening Our Global Position

16:15 – 16:30      Questions & Answers

## What Can Actually Be Made Of The Global Britain Concept?

What actual contributions to international stability and security can the UK make in the light of its current international circumstances and in the light of the financial constraints that will result from Covid19?

Can we prioritise the defence and security threats that we face, and what should be our role?

How can we use our reputation and history to strengthen our position as a geopolitical player?

## What Can Actually Be Made Of The Global Britain Concept?

Comments solicited from Clare Lockhart, CEO at  
Institute of State Effectiveness and Paul Spedding,  
Head of Pre-Sales Defence at BAE Systems
