# The Merry-Go-Round Of Decades Of Technology

- ◆ Faxes, telex
- ◆ Mobile phones
- ◆ Online shopping
- ◆ Streaming video
- ◆ Internet-enabled devices
- ◆ Machine learning (AI)
- ◆ 3D Printing
- ◆ IBM and punchcards
- ◆ PC
- ◆ Voice
- ◆ Internet for trading
- ◆ Cloud
- ◆ Blockchain

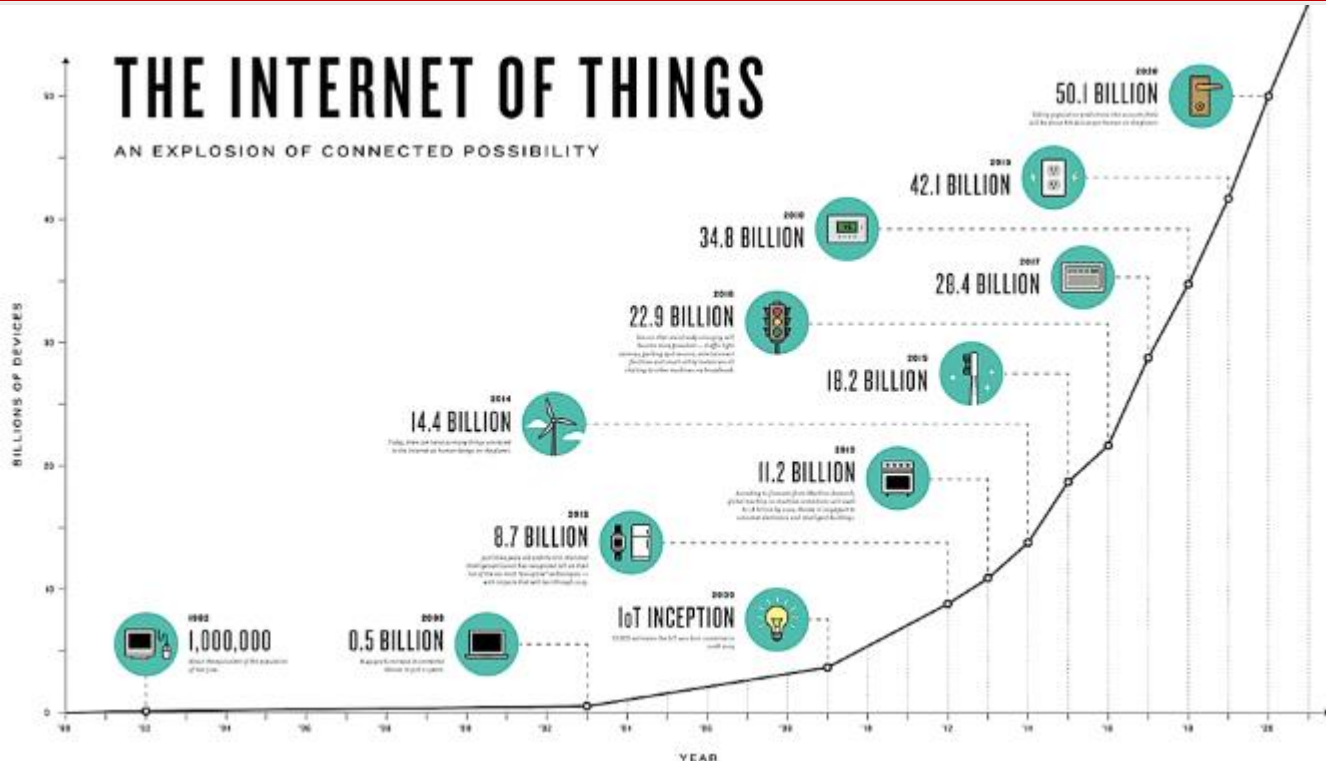

Faster, cheaper, faster – new? ... letters of credit, bills of lading ...

- Technology is only truly adopted when it becomes invisible
- Every technology is useful in its own way before it's absorbed elsewhere
- Nobody knows anything, so don't go panning for unicorns
