

# HOW TO DONATE TO THE UK CHARITY LIFE IS WONDERFUL

The charity was founded by Lord Joel Joffe, attorney for Nelson Mandela and the other Rivonia trial defendants, Sir Nick Stadlen, director and producer of the film, John Battersby, former editor of the Sunday Independent and UK head of Brand South Africa and the first man to shake Mandela's hand when he left prison and Ben Valentin QC. Any profits from the film will be donated to the charity.

## The exciting plan to show the film at all high schools in SA:

The SA Ministry of Basic Education has agreed to show the film at all 6,500 high schools in SA as part of the new history curriculum and to promote non-racialism.

**Our immediate target to get the film shown in all 6,500 SA high schools is £120,000.**
